

HY-PRO®

POP UP GOAL

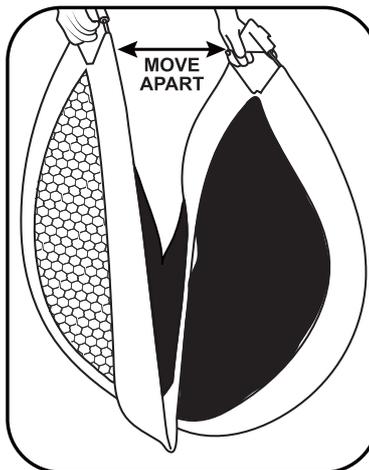

SET UP

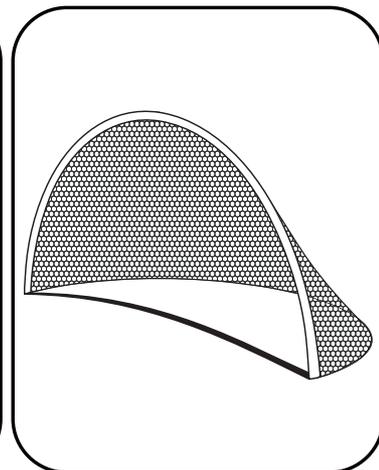

- 1** Gently pull out of carry bag. **CAUTION:** After removing from carry bag, hold net away from body and others as it can expand quickly.

- 2** While holding the goal firmly, undo the velcro holding the ends together.

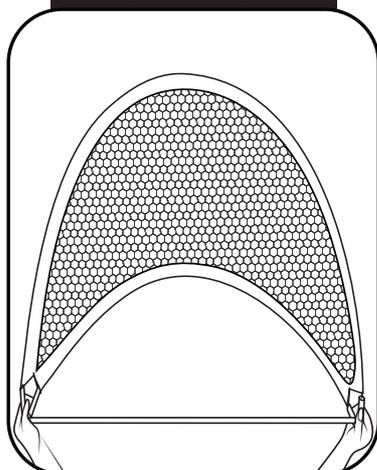

- 3** Hold each corner firmly and allow the goal to fold out away from the body, as the goal can expand quickly.

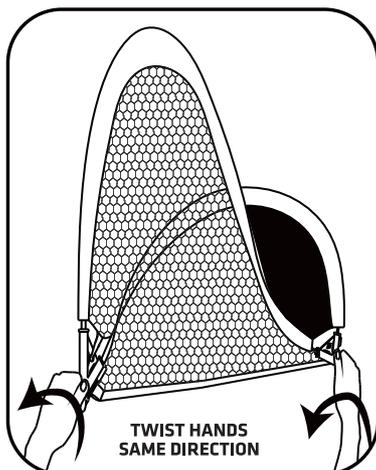

- 4** Check that the goal is sitting on solid ground, if on grass use pegs to pin goal down.

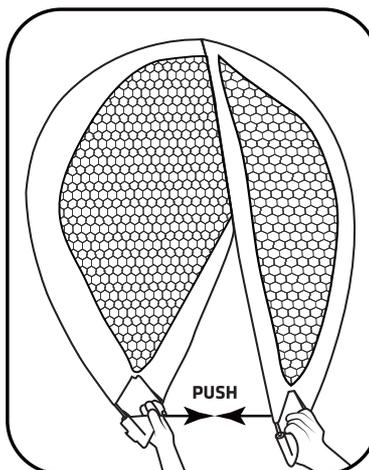

PACK DOWN

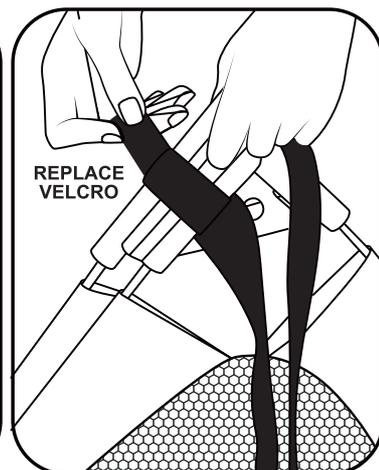

- 1** With the goal facing towards you, hold each corner of the goal.

- 2** While holding the corners of the goal, twist each hand in the same direction until the goal folds flat.

- 3** Once twisted the goal should be flat. Bring hands together and the goal should fold to be teardrop shape.

- 4** Using the velcro, latch the two corners together and place back in carry bag.
